# Shutter Versatility

you can even filter light from above...

custom shapes.....

sliding shutters.....

style your kitchen

indulge in your bathroom....

*'The options really are Infinite with  
Genneral Staircase'*

*Aluminium shutters are perfect for indoor and outdoor window coverings....unlike timber, maintenance is hassle free.*

By simply adding shutters to your patios, balconies, carports, verandahs and alfresco dining areas....

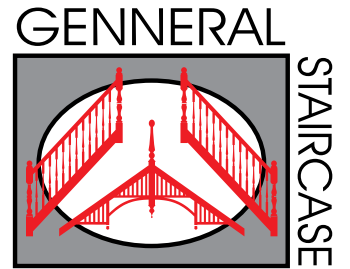

You are effectively creating *new living and work areas* for your home or business....

You can choose from our standard range of colours or we can custom powdercoat any special colour you would like....

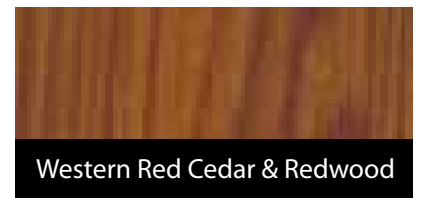

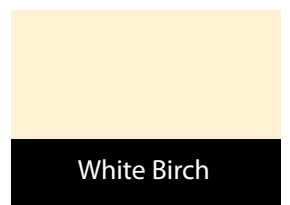

With timber effects available in Western Red Cedar and Redwood....you now have the *beautiful timber look in the functionality and strength of aluminium....*

Call us today or visit us online at  
[www.genstairs.com.au](http://www.genstairs.com.au)

Timber Staircases - Metal Staircases - Balustrading - Balconies
